The Human Services Agency (HSA) requests authorization to enter into a new grant agreement with San Francisco-Marin Food Bank (SFMFB), for the period of July 1, 2022 to January 31, 2023 in the amount of \$5,725,000 plus a 10% contingency for a total amount not to exceed \$6,297,500. The purpose of this grant is to distribute groceries to San Franciscans throughout the City focusing on high-need neighborhoods.

Background

Prior to the COVID-19 Pandemic, 1 in 4 San Franciscans were at risk of being food insecure. However, the pandemic worsened food insecurity, especially for San Franciscans who worked jobs that were disrupted by the pandemic. With current inflation, and the ongoing economic consequences of the pandemic, HSA released RFP 1024 Citywide Grocery Access in June 2022 in order to fund a food provider who could serve the highest need neighborhoods with reliable weekly access to groceries.

As a result of the RFP process, San Francisco-Marin Food Bank was selected to provide this service. The San Francisco-Marin Food Bank has been the anchoring food support organization for many San Franciscans and continues to demonstrate their capacity and dedication to provide weekly groceries throughout the City. The SFMFB will continue to leverage their ability to receive free and low-cost food items in order to meet the need of the community. SFMFB is able to leverage their status as the only food bank in San Francisco and Marin counties and warehouse capacity in order to receive USDA food commodities and large donations, which bring down the cost of food provision down significantly. Combined with funding from this grant, the SFMFB will be able to distribute over 40,000 units of groceries per month to food insecure San Franciscans.

Services to be Provided

The SFMFB will operate at minimum 20 "pop-up" style pantries throughout the City, including most of the zip codes highlighted by HSA as priority areas. These pantries take place outdoors in order to mitigate the spread of COVID-19 and to capitalize on the most space in order to serve the most participants possible.

This grant will fund the distribution of 40,000 units of groceries per month at minimum and will serve at least 10,000 unduplicated participants. Each unit shall consist of fresh fruits and vegetables, proteins and grains.

Location

The Pop-up Pantries are generally located outdoors and will be focused on the following zip codes: 94102, 94103, 94112, 94124, 94134, 94109, 94110, 94133, 94115, 94122. During the grant term, some pantries may be located outside of these zip codes due to space limitations and the need in multiple zip codes.

Selection

Grantee was selected through RFP #1024 issued in June 2022.

Funding

Funding for this grant is provided by City and County General Funds as well as Federal CDBG Funds.
